Each item of information listed on attached PTO/SB/08A was first cited in a communication from a foreign patent office in a counterpart foreign application (copy of Search Report enclosed).

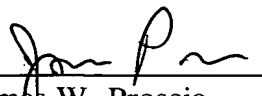

More than a year prior to the filing of this patent application Equistar Chemicals, LP commercialized the Microthene™ product line of polyolefin powders and the Plexar™ line of chemically modified resins. Moreover, Equistar Chemicals, LP also sells the Integrate™ lines of chemically modified polyolefins. Representative examples of Product Information Sheets for currently sold products for each of these product lines are attached as Exhibits 1-53.

While this Statement is being filed in compliance with the duty of disclosure, citation of the listed references is not to be construed as an admission that any of the references are "material" as defined under 37 C.F.R. § 1.56(b).

No copies of the listed U.S. patent references or the listed U.S. patent application publication references have been included herewith pursuant to 37 C.F.R. § 1.98(a)(2). All other references have been provided as required. Consideration and entry into the record of the listed references is respectfully requested.

Respectfully submitted,

**Bradley P. Etherton et al.**
